

IPF Japan 2023 International Plastic Fair

TOYO Exhibition Invitation

Dear Sir/Madam,

We hope this message finds you well, and we would like to extend our warmest regards and gratitude for your continued support of our products.

Now, we are pleased to inform you about our upcoming exhibition at the International Plastic Fair (IPF Japan 2023), scheduled at Makuhari Messe from November 28 to December 2. Under the theme of "Harmony with the Environment," we will be conducting live demonstrations featuring our latest models.

We understand the demands on your time but kindly request your presence at our booth during this event. Your visit and valuable insights would be greatly appreciated.

Yours sincerely,
Yoshiaki Tabata, President & C.E.O.

September 2023
