TOYO INNOVEX Invitation to Our Exhibit at K 2025

Dear Sirs,

We sincerely thank you for your continued support of our products.

We are pleased to announce that we will exhibit at K 2025 in Düsseldorf, Germany this October.

At our booth, we will showcase three Injection Molding Machines for Plastic customized for the European market:

- **Si-230-6S** and **Si-350-6S** from our eco-friendly Si-6S Series, and
- **Si-180-7** from our high-performance Si-7 Series.

We warmly invite you to visit our booth and look forward to welcoming you at the exhibition.

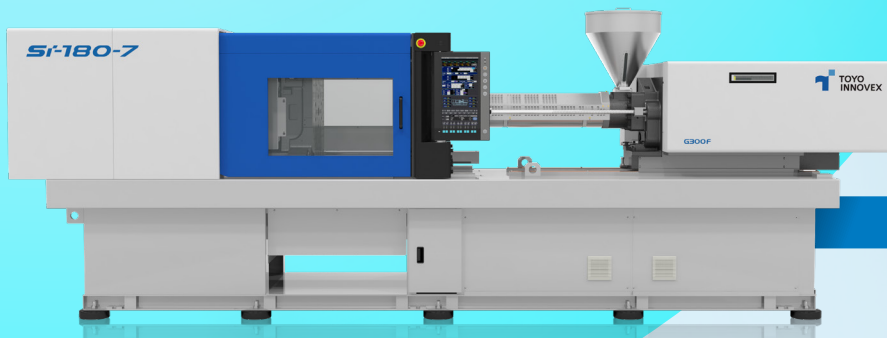

Yours Sincerely,

TOYO INNOVEX Co., Ltd.
